Five years ago, I “found” myself in the role of the Cubmaster after only having been an Assistant Tiger Den Leader! I eagerly took the online Cubmaster training and read everything I could get my hands on to teach me how to be a successful Cubmaster and I quickly realized that there wasn’t very much practical, real world “How To” info out there!

Well, after literally hundreds of hours spent working on “Scout Stuff” with my Assistant Cubmasters, we have rebuilt our Pack from a disorganized, 35 member, struggling Pack to a 80+ member, organized, Gold Level - Journey to Excellence award winning Pack; In less than a year!

I am extremely proud of what we have been able to accomplish in such a short time and would like to share our proven methods and our failures with as many Packs possible. Join us with as many leaders possible from your Pack to learn how to re-build a successful Pack in a short amount of time.

In this workshop you will learn “How To:”

- Plan and run a great program
- Recruit and retain new scouts
- Recruit and build better leaders
- Deal with problem leaders & volunteers with little to no drama!
 - And much more!

To register go to www.gardenstatescouting.org click on “calendar” and click on the date of the workshop.

“Experience is the best teacher, especially when it’s someone else’s experience”

If you are already a leader of a successful Pack, please come and share some of your proven methods with us. Hope to see you there!
