Wilderness First Aid –

Presentation by Rob Bardsley

Offers training within Garden State Council, cheaper option than other courses.

Course offered for adults, as well as for Scouts over the age of 14.

Prerequisite – Must be currently CPR **and** AED certified.

Wilderness First Aid is required training for some members of any crew attending a high adventure base or similar wilderness camping experience (backpacking, canoeing, biking, etc)

Next Wilderness First Aid Course - June 11 and 25th (both days required) – LDS Church in Sewell, NJ - \$60 – currently on calendar.

Working on expanding their list of folks to draw from for these trainings.
